Quotation

Day excursion Florence – Sanctuary of La Verna – Florence · Tuesday 27 April 2027

Prepared for Alexandra Lange · 15 October 2026 · Ref. GM-2027-0427-AL

The vehicle

A minibus reserved for your group of 25 people, with the driver at your disposal for the whole day: in the morning from Florence to the Sanctuary of La Verna, the stay at the sanctuary with the vehicle waiting for you, and in the evening the return to Florence, with no other passengers.

> **Mercedes-Benz Beluga** — 25 passenger seats plus guide seat and driver, 7.64 m. Air conditioning, reclining ultra-comfort seats, fridge bar, on-board audio system, large luggage hold.

La Verna is reached by a mountain road, narrow and winding on the last stretch up to the sanctuary. At under 8 metres long the Beluga handles it with ease, where a full-size coach struggles: the journey is smoother and more comfortable for everyone on board.

Notes

· **The meeting point: Villa Costanza car park.** It is the park-and-ride on the A1 between Florence and Scandicci, terminus of tram line T1. From Santo Spirito you walk to the Alamanni – Stazione stop, crossing the Arno at Ponte alla Carraia (about 15 minutes), and from there the tram reaches Villa Costanza in about 20 minutes, with frequent services from early morning. We suggest leaving Santo Spirito at 7:00; the minibus will be waiting from 7:30. This way the vehicle does not enter the city: no tourist-coach check point (€ 421.00 per day), no city traffic, and we start directly on the motorway, with more reliable times both in the morning and on the evening return. In the evening we bring you back to Villa Costanza, where the tram takes you back to the centre.

· **The road.** The most direct route crosses the Consuma pass: about two hours, with a long winding stretch after Pontassieve. Anyone prone to travel sickness is better off in the front seats; the driver knows the road and takes it calmly. If preferred, the return can go via Arezzo and the motorway: longer in kilometres but with fewer bends, and the price does not change.

· **The schedule.** Leaving at 7:45 you reach the sanctuary around 9:45, with about seven hours for the visit, Mass and lunch. Every day the friars walk in procession to the Chapel of the Stigmata in the early afternoon: if you wish to attend, we suggest checking the time with the sanctuary. Leaving at 17:00 you are back at Villa Costanza around 19:00, avoiding evening traffic in the centre. Times can be moved at no cost, as long as the day ends by 19:00.

· **Lunch, and the driver's lunch.** The sanctuary has a pilgrims' refectory, which for a group of 25 should be booked in advance. The driver's lunch is at your charge and is not priced in this quotation: the simplest solution is to include it in your own booking, at the refectory or at the restaurant you choose. The service is a day trip, so no overnight stay is needed.

· **The weather.** La Verna stands at about 1,100 metres: at the end of April, even on a fine day in Florence, it is noticeably cooler up there and there may be fog. It is worth telling the group to bring a jacket and comfortable shoes for the paths around the sanctuary.

· **Number of people.** The Beluga has 25 passenger seats plus the guide seat: with 25 people it is full, leaving only the seat next to the driver for a guide or tour leader, if any. If the group grows, please let us know before confirming.

· **To confirm we need** the final number of passengers, the name and mobile number of a contact person for the day of the service and your invoicing details.

· **Availability and cancellation.** The vehicle is currently free on 27 April 2027 and we hold it for you until 30 October 2026, the validity date of this quotation; the booking becomes firm on receipt of the deposit. Cancellation is free up to 60 days before the service; from 60 to 30 days the deposit is retained; from 30 to 10 days 50% of the amount is charged, and the full amount in the last 10 days.

We remain at your disposal for any clarification and look forward to hearing from you.
