Quotation

School trip Florence – Impruneta Astronomical Observatory, outbound and return · 6 November 2026

Prepared for Scuole Pie Fiorentine, Mr Giorgio Rotellini · 16 October 2026 · Ref. GM-2026-1106-SP

The vehicle

A minibus reserved for the class, with its driver: from Piazza Savonarola to the observatory, waiting during the visit and back to the starting point, with no intermediate stops and no other passengers.

> **Mercedes-Benz Beluga** — 25 passenger seats plus guide seat and driver, 7.64 m. Air conditioning, reclining ultra-comfort seats with seat belts, on-board audio system, large luggage hold.

For 13 students and their teachers there are more than enough seats: everyone sits comfortably and backpacks and coats fit without blocking the aisle. At under 8 metres long the minibus has no trouble on the hilly roads of Impruneta up to the observatory, where a full-size coach would struggle.

Notes

· **The Florence check point.** Piazza Savonarola lies within the part of the city that a tourist coach may enter only by paying the municipal check point, € 421.00 for the day. It is the heaviest item on a half-day trip. If a meeting point just outside that area suits the class, we will suggest one: no check point is due and the total drops to € 605.00 VAT included. If you prefer to stay in Piazza Savonarola, the price is the one shown above, with no other costs.

· **The times.** Leaving at 10:15 the group reaches the observatory around 10:50: on a Friday morning the traffic out of Florence towards Galluzzo and Tavarnuzze can be slow, and this margin gets you there in time for the 11:00 visit. We leave again at 13:00 and are in Piazza Savonarola around 13:30. If the visit ends earlier, just tell the driver.

· **At the observatory.** Via della Sodera is a narrow hill road: the minibus drops you at the entrance and waits nearby for the whole visit, ready for the return. Please give us a contact at the observatory for the arrival.

· **Number of people.** 13 students and 1 or 2 teachers make 14–15 people on 25 seats: there is room even if someone joins.

· **To confirm we need** the final number of participants, the name and mobile number of the teacher in charge on the day and the school's details for the electronic invoice (recipient code or PEC).

· **Validity, availability and cancellation.** This quotation is valid until 26 October 2026, to give the school management time to decide; until then the vehicle is held for you. The booking becomes firm on receipt of the deposit. Once confirmed, a cancellation is charged at 50% of the amount up to 10 days before the trip, and at the full amount in the last 10 days.

We remain at your disposal for any clarification and look forward to hearing from you.
