

Quotation

Wedding shuttle · Reggello (FI), 12 pick-up addresses → Via Bonsi 47 · 25-26 September 2026

Prepared for your wedding in Reggello · 8 September 2026 · Ref. GM-2026-0925-VB

The vehicle

One minibus with the same driver on both evenings, collecting your guests from the twelve addresses and taking them home again at the end of the night.

Mercedes-Benz Beluga — 26 passenger seats plus driver, 7.64 m. Air conditioning, reclining ultra-comfort seats, fridge bar, on-board audio system, large luggage hold.

Those 7.64 m are why this vehicle works in Reggello: it stays under eight metres and reaches places a full-size coach cannot, on the narrow roads climbing to the farmhouses and in the village streets. **Your guests, however, are 54 and the vehicle seats 26:** one minibus cannot carry them in a single movement. The price below is for one vehicle and the programme is built on three collection runs; the first note sets out in full what that means and how it changes with two or three minibuses.

The service

Date	Service	Vehicle engaged
Fri 25 Sep	Outward — from the twelve addresses to Via Bonsi 47. Three consecutive collection runs, worked backwards from your 18:00 deadline: the first run leaves around 15:05 and reaches Via Bonsi at 15:45, the second leaves at 15:55 and arrives at 16:45, the third leaves at 16:55 and arrives at 17:55.	approx. 15:00 – 18:00
Fri 25 Sep	Return — from Via Bonsi 47 to the twelve addresses. First departure at 23:00 with the Pietrapiana group, back at Via Bonsi around 23:50; second departure at 23:55, back around 00:50; third and last departure at 00:55, last guest home around 01:45.	approx. 23:00 – 01:45
Sat 26 Sep	Outward — from the twelve addresses to Via Bonsi 47. The same three runs, worked backwards from the 15:30 deadline: first run at 12:45 arriving 13:25, second at 13:35 arriving 14:25, third at 14:35 arriving 15:25.	approx. 12:40 – 15:30
Sun 27 Sep	Return — from Via Bonsi 47 to the twelve addresses. First departure at 01:00, back at Via Bonsi around 01:50; second departure at 01:55, back around 02:50; third and last departure at 02:55, last guest home around 03:45.	approx. 01:00 – 03:45

The three collection runs

We have grouped the twelve addresses by area, so that each run stays compact and the largest party travels together. The guests on each run leave and return together, always at the same time.

Run	Address	Guests
1 · Pietrapiana 24 guests · 3 stops	Via Casalino 66, Loc. Pietrapiana	14
	Hotel Archimede, Ponte di Casalino 68	7
	Località Rovai 26, Pietrapiana	3

Run	Address	Guests
2 · La Romola and the farmhouses 22 guests · 4 stops	Località Podere la Romola 78	14
	Podere Houston / Giusti, Località Giusti 105	4
	Loc. I Trebbiali 116	2
	Via dei Glicini 14, Poggio ai Giubbiani	2
3 · Reggello, Donnini and San Giovenale 8 guests · 5 stops	La Terrazza di Reggello, Via di Fano 6	2
	Appartamento Olivella, Via Fornacina 32	2
	Località S. Giovenale 55	2
	Le Siepi, Via Filippo Turati, Montanino 16	1
	Villa Pitiana Hotel, Donnini	1
Total guests		54

The third run is the longest: eight guests scattered over five addresses, from the centre of Reggello out to Donnini and San Giovenale. It is the one that weighs most on the timings, and the first that is worth handing to a second vehicle.

Included. Vehicle and driver on both evenings, fuel, tolls, parking, full insurance, and the three collection runs and three return runs on each of the two days. Reggello has no restricted traffic zone and no municipal coach permit, so there are no access charges to add. The driver also stays available in the area during the waiting hours between the outward and the return runs, at no charge to you for that time.

Not included. The driver's board and lodging for the nights of 25 and 26 September, which remain at your charge: you book and pay for them directly. The second and third minibus, quoted separately. Waiting beyond the agreed times, € 50.00 per hour per vehicle. Additional runs or changes to the programme after confirmation, quoted on request. The supplement for a return after 02:00 on the night of Friday to Saturday, which on this programme does not arise and which we have therefore not charged.

Notes

- **Fifty-four guests in a 26-seat vehicle: this is the decision to take.** With a single minibus every movement needs three runs, and the consequences are there to read in the timings above: on Friday the first guests are collected at 15:05, more than two hours before the last ones, and on Saturday night the last group leaves the party at 02:55 and reaches home around 03:45. With **two minibuses** the first two runs travel in parallel and only one trailing run is left: collection is concentrated into little more than an hour and the return closes around 02:00. With **three minibuses** everyone leaves and returns together, the last guest is home around 01:50 and the supplement for the return beyond 02:00 no longer applies. Our recommendation, for 54 people over two evenings, is three vehicles on the Saturday and at least two on the Friday; we will quote the extra vehicles as soon as you tell us how to proceed.
- **Where the minibus can actually reach.** Several of your addresses are farmhouses in the Reggello hills, on narrow roads, sometimes unmade and with no room to turn. A 7.64 m vehicle gets far higher up than a coach, but not to every gate. We need the exact map location of all twelve: we will drive the roads and tell you which stops the minibus can take and where a meeting point on the surfaced road works better. Far better to know now than at eleven at night, with guests in long dresses.
- **Via Bonsi 47.** We need two things from the venue: where guests get on and off — with the room to stop and turn a vehicle of nearly eight metres — and where the minibus can wait during the party, five hours on the Friday and nine and a half on the Saturday. If there is no space the driver moves to a nearby car park, but we need to know beforehand.
- **The return on Saturday night.** The time you gave us is 01:00. With one vehicle the last run leaves at 02:55 and the supplement for a return beyond 02:00, € 250.00 per vehicle, is included in this quotation. With three vehicles the return closes before 02:00 and the supplement disappears. The Friday night, by contrast, closes around 01:45 and carries no supplement at all.
- **The driver's board and lodging.** The two nights of 25 and 26 September are at your charge and you book and pay for them directly: a single room in the area, with dinner, is all that is needed. They are genuinely necessary: Reggello is about 90 km from our base and each day closes between one and four in the morning, so driving home would breach the driver's rest periods. Our usual advice is to put him up at the same property as your guests.
- **Guests per address.** The numbers you sent us add up to 54 and we have taken them at face value. At weddings they always change: we ask for the final list, stop by stop, ten days beforehand. On the night we also need a contact of yours with their phone on — not the couple — whom the driver can ask about anyone missing before closing the doors.
- **The times you gave us.** We have read the 18:00 on Friday and the 15:30 on Saturday as the time by which guests must be at Via Bonsi, and worked everything backwards from there. If they are instead the time of the ceremony or of the reception drinks, tell us and we will shift the runs accordingly.
- **To confirm we need** the map locations, the final guest numbers per address, a mobile or WhatsApp contact for your person on the ground, your invoicing details and your decision on the number of vehicles.
- **Availability and cancellation.** There are seventeen days to the first service and we are in the middle of the wedding season: our minibus is free today and we hold it for the validity of this quotation, but additional vehicles need securing as soon as possible. The booking becomes firm on receipt of the deposit. Cancellation is free of charge more than 60 days before the service; from 60 to 30 days the deposit is retained; from 30 to 10 days 50% of the price is charged; in the last 10 days, 100%. As of today the booking already falls in the 30-to-10-day band, and from 15 September it moves into the last-10-days band. Quotation valid until 15 September 2026.

We remain at your disposal for any clarification and look forward to hearing from you.
