

Quotation

Transfer Prato – Milan Malpensa Airport, outbound and return · 7 and 14 November 2026

Prepared for Francesca Gori · 5 October 2026 · Ref. GM-2026-1107-FG

The vehicle

A minibus reserved for your group, up to 25 passengers, with its driver: departure from Prato right at your door or at the meeting point you choose, drop-off in front of the Malpensa terminal, and on the way back the same journey in reverse, with no intermediate stops and no other passengers.

Mercedes-Benz Beluga — 26 passenger seats plus driver, 7.64 m. Air conditioning, reclining ultra-comfort seats, fridge bar, on-board audio system, large luggage hold.

On a journey of almost four hours, and on the way back at night after a flight, reclining seats make a real difference. And at under 8 metres long the Beluga gets into Prato streets where a full-size coach cannot go: pick-up can be much closer to home.

Notes

- **The outbound flight time.** Leaving Prato at 5:00 we reach Malpensa around 8:45. For an international flight that is a safe margin if take-off is from 11:30 onwards; if your flight leaves earlier, the departure from Prato must be brought forward. Send us the flight number and time and we will set the right hour together.
- **The return flight.** We need the flight number for 14 November: we track it in real time and the driver works to the actual landing. Waiting is free up to 90 minutes from landing, usually enough for baggage and checks; for a non-Schengen flight, with passport control, please let us know.
- **The night-time return.** With landing around 23:00, between baggage claim and about three and a half hours on the road you reach Prato between 2:30 and 3:00. That is why we have already included the supplement for a return after 02:00, so there are no surprises. If the flight lands earlier, the supplement does not apply and we will remove it.
- **Luggage.** For a week away everyone will have a suitcase. The Beluga's hold is large, but 25 big suitcases plus hand luggage fill it. Please tell us how many checked suitcases and how many carry-on bags you will bring in total: if the load exceeds the space, it is better to know now than at five in the morning.
- **The pick-up point in Prato.** We need the exact pick-up and drop-off address. If it is inside the city walls, in the restricted traffic zone, we will suggest a meeting point just outside, easy to reach with suitcases.
- **Number of passengers.** The Beluga has 26 seats: for a group of up to 25 it is ideal. Every child, however small, counts as a passenger. If the group should grow beyond 26, please let us know before confirming.
- **To confirm we need** the numbers and times of both flights, the pick-up address in Prato, the final number of passengers and pieces of luggage, the name and mobile number of a group contact, and your invoicing details.
- **Availability and cancellation.** The vehicle is currently free on both dates and we hold it for you until 19 October 2026, the validity date of this quotation; the booking becomes firm on receipt of the deposit. Cancellation charges run from the departure date, 7 November: from 60 to 30 days before, the deposit is retained; from 30 to 10 days before, 50% of the amount; in the last 10 days, the full amount.

We remain at your disposal for any clarification and look forward to hearing from you.
