

Quotation

Transfer Florence – Teatro Verdi, Montecatini Terme, outbound and return · 6 November 2026

Prepared for Gianna, compagna di musical di Firenze · 6 October 2026 · Ref. GM-2026-1106-MF

The vehicle

A minibus reserved for the company, with its driver, for 22–23 people: in the morning from Florence straight to the theatre, after the show from the theatre back to Florence, with no intermediate stops and no other passengers.

Mercedes-Benz Beluga — 26 passenger seats plus driver, 7.64 m. Air conditioning, reclining ultra-comfort seats, fridge bar, on-board audio system, large luggage hold.

At under 8 metres long the Beluga drives right up to the theatre, even in the streets of central Montecatini where a full-size coach cannot stop. And on the way back, at two in the morning after a day of rehearsals and performance, the reclining seats are welcome.

Notes

- **Costumes, equipment and instruments.** A musical company rarely travels with personal bags only. The Beluga's hold is large, but if you are bringing costumes, trunks, instruments or pieces of set, tell us how many and how bulky: if they do not fit, it is better to know now and arrange separate transport for the material.
- **The departure point in Florence.** The centre of Florence is a restricted traffic zone, and entry for a tourist coach requires a check-point fee of about € 350 per day. Here it would be two days, the 6th for the outbound run and the 7th for the return, which arrives after midnight: about € 700 extra. We therefore suggest a meeting point just outside the zone, convenient for everyone: tell us the area you are leaving from and we will propose one. The same applies to the drop-off on the way back.
- **The morning schedule.** To reach the theatre by 10:00 we leave Florence at 8:30. On a Friday morning the Firenze Nord junction and the A11 are often busy: this margin gets us there on time even with some delays. If you want to be at the theatre earlier, we bring it forward at no extra cost.
- **The 2:00 return.** A return after 02:00 carries a supplement of € 250.00, already included in this quotation so there are no surprises. The driver is at the theatre from 1:45. Between get-out, make-up removal and goodbyes, times easily stretch on show night: if you expect to leave later, tell us in advance, as waiting beyond 2:00 is charged at € 50.00 per hour. Please let us know who will give the driver the signal to leave.
- **Number of people.** The Beluga has 26 seats: for 22–23 people that leaves a small margin, useful if a member of the technical crew joins. Beyond 26 it is not enough: in that case please let us know before confirming.
- **At the theatre.** Tell us whether the group should be dropped at the stage door or the main entrance, and give us a theatre contact for the morning arrival.
- **To confirm we need** the final number of passengers, the departure and arrival point in Florence, what material you are bringing, the name and mobile number of a contact person and your invoicing details.
- **Availability and cancellation.** The vehicle is currently free and we hold it for you until 13 October 2026, the validity date of this quotation; the booking becomes firm on receipt of the deposit. With less than 30 days to the service, once confirmed a cancellation is charged at 50% of the amount, and at the full amount in the last 10 days.

We remain at your disposal for any clarification and look forward to hearing from you.
