Notes

- **The driver's rest between Thursday and Friday.** Between Thursday's return to the hotel (23:40) and Friday's departure (09:30) only 9 hours and 50 minutes remain: below the 11 hours of daily rest required for a professional driver. It is easily solved by shifting the hinge between the two days by about an hour — a 10:40 departure on Friday, or returning from Thursday's dinner by 22:30 — whichever you prefer, at no extra cost. Please confirm before we send the final programme.
- **Le Ragnaie and Thursday's hotel.** The programme shows Wednesday's arrival and Thursday morning's departure at Le Ragnaie, and a separate "hotel" for Thursday night: are these the same property or two different ones? We need to know to fix the exact meeting points and, for Thursday night, to book the driver's accommodation.
- **Wednesday 30 September's lunch stop.** Without the exact venue yet, we have estimated the Pisa–Montalcino route with a stop along the Siena–Grosseto road, around San Gimignano/Colle di Val d'Elsa. The price quoted is on this basis: once you choose the venue we will check the vehicle can access it without difficulty and adjust the route and price if needed.
- **Which Antinori estate.** We have quoted Antinori nel Chianti Classico at San Casciano in Val di Pesa, the group's flagship estate, half an hour from Florence. Please confirm: a different Antinori venue would change Thursday's route and timing.
- **The Siena permit.** The historic centre, home to the restaurant Le Logge, is a pedestrian area: the vehicle drops you at the authorised coach park and it is a short walk from there. The municipal permit for tourist coaches, about € 160.00, is

already included in Friday's price.

- **Luggage on 30 September.** With 24 guests on board only two seats stay free on the Beluga: comfortable for the tour, tighter for airport luggage. Let us know about any large suitcases or oversized items so we can plan the loading.
- **The two flights.** We need the number and time for both the arrival on 30 September and the departure on 2 October. For the arrival, waiting is free for up to 90 minutes from actual landing, however late the flight; for the departure we will check that reaching Pisa at 19:00 leaves an adequate margin before check-in.
- **To confirm we need** the final passenger count, the name and address of the hotel(s) in Montalcino, the venue chosen for Wednesday's lunch, confirmation of the Antinori estate, both flight times, and your invoicing details.
- **Availability and cancellation.** The vehicle is currently free and we hold it for you for the whole validity of this quotation; the booking becomes firm on receipt of the deposit. Cancellation is free of charge more than 60 days before the service; from 60 to 30 days the deposit is retained; from 30 to 10 days 50% of the price is charged; in the last 10 days, 100%. With 35 days to the first service today, this booking falls in the 60-to-30-day band, and from 31 August it moves into the 30-to-10 band. Quotation valid until 9 September 2026.

We remain at your disposal for any clarification and look forward to hearing from you.
