

Quotation

Two point-to-point transfers — Castel Monastero → Castelfalfi (20 October) and Castelfalfi → Cape of Senses, Lake Garda (23 October)

Prepared for Keshav Menon · 9 September 2026, updated 14 September 2026 · Ref. GM-2026-MENON · valid until 29 September 2026

Thank you for confirming the luggage — 23 check-in suitcases and 15 cabin bags: the load fits within the minibus, as explained below — and the travel month, October 2026. Those were the two points left open in the first version of this quotation, now resolved. Of the four legs you asked about, we can confirm two: the 20th of October (Castel Monastero to Castelfalfi) and the 23rd of October (Castelfalfi to Cape of Senses, Lake Garda). The 17th and the 26th of October — the two legs from and to Milan — are unfortunately not among the services we are able to offer. For the two transfers we can operate we would use our minibus. These are priced as individual point-to-point transfers, as you asked, not as full-day hire.

The vehicle

Vehicle	Mercedes-Benz Beluga — 26 passenger seats plus the driver. It is the right size for a group of 16: the ten spare seats leave room on board, and its compact body reaches resorts and hill roads that a full-size touring coach cannot.
Luggage	Now confirmed. The 23 check-in bags fill the dedicated hold exactly at its comfortable limit (around 23 suitcases of the size you mentioned, ~30 kg each): there is no spare room left in the hold. The 15 cabin bags travel with the group inside the passenger cabin — with 16 of you on 26 seats, the ten spare seats give plenty of room for them.
Comfort	Air conditioning, reclining seats with seatbelts, fridge bar, on-board sound system.
Driver	Professional driver. He speaks Italian and Spanish, not English — we mention it in advance so there are no surprises on the day.

Notes

- **Luggage — confirmed.** The 23 check-in bags and 15 cabin bags you gave us fit the minibus's capacity: the suitcases fill the hold up to its comfortable limit, and the cabin bags travel with you inside the passenger cabin, on the spare seats. There is no margin for extra luggage on the day: if the count changes, please let us know before confirming.
- **Transfers we cannot cover.** 17 October (Milan → Castel Monastero) and 26 October (Cape of Senses → Milan) are not among the services we are able to offer.
- **On city access charges.** Many Italian towns charge coaches a daily permit to enter, and whenever one applies we show it in the quotation at the official rate. For the two transfers quoted here no such charge is due: Castel Monastero and Castelfalfi are countryside estates, outside any restricted traffic zone, and Torri del Benaco has no coach access permit on record. Should one emerge, we will tell you before the service and pass it on at the official rate, with no mark-up.
- **The departure time** for each transfer, still to be agreed.
- **Access to the Cape of Senses Hideaway.** The property sits on the hillside above Torri del Benaco, and we would like to check with you, or directly with the hotel, that the approach road is suitable for the vehicle. If it is not, we will agree a

workable drop-off point in Torri del Benaco.

- **A mobile number for the group**, to pass to the driver on the day.

- **Validity and cancellation.** This quotation is valid until 29 September 2026. On confirmation the dates are held for 48 hours: after that, without the deposit, they are released. Cancellation is free of charge more than 60 days before the service; from 60 to 30 days the deposit is retained; from 30 to 10 days 50% of the price is charged; in the last 10 days, 100%.

We remain at your disposal to confirm the service. To go ahead, simply reply to this quotation: we will send the deposit request and, closer to the date, the name and direct number of your driver.
