Wedding service · Montemassi – Ribolla – Conti di San Bonifacio Wine Resort (Gavorrano, GR) · Saturday 3 October 2026

Prepared for Shaan Shaanak · 15 September 2026 · Ref. GM-2026-1003-SS

The vehicle

One minibus for your group, up to 25 people, with the same driver for the whole wedding day.

Mercedes-Benz Beluga — 26 passenger seats plus driver, 7.64 m. Air conditioning, reclining ultra-comfort seats, fridge bar, on-board audio system, large luggage hold.

With 25 guests on board only one seat stays free: the Beluga comfortably covers the full group. At under 8 metres it easily reaches the hill roads of the Maremma and the estate's courtyard, where a full-size coach would struggle to manoeuvre.

Notes

- **The 1:00 AM return time.** This sits very close to the 02:00 threshold beyond which the € 250.00 per vehicle night-return surcharge applies. With a 20-25 minute transfer from Conti di San Bonifacio to Montemassi via Ribolla, you are back within 02:00 only if the actual departure keeps to the agreed time — at weddings the couple and guests often run late. Please let the driver know in advance if you expect a delay, otherwise the surcharge is due.
- **The driver's board and lodging.** Our base is in Ponte Buggianese, about 150 km from Montemassi. Eleven hours run between the afternoon transfer and the 1:00 AM return: the driver has to rest in the area before getting back behind the wheel for the return leg, as required by driving and rest-time rules. The night of 3 October remains at your charge and you book and pay for it directly: a single room in the area is all that is needed. The easiest arrangement, if there is availability, is to put him up at the same property as the group.
- **Exact guest count.** You have indicated up to 25 people: with the Beluga the margin is a single seat. Please confirm the final number before booking, so we can be certain the vehicle is enough or look at an alternative in good time.
- **Access at Conti di San Bonifacio.** It is a hilltop estate, in Località Casteani. Please have the venue confirm the exact drop-off and pick-up point and the manoeuvring space for a 7.64 m vehicle, especially for the 1:00 AM night manoeuvre — far better settled now than on the night itself.
- **To confirm we need** the final guest count, a mobile or WhatsApp contact for the person on site on the wedding day, the exact meeting point address in Montemassi, and your invoicing details.
- **Availability, validity and cancellation.** The vehicle is currently free and we hold it for you for the validity of this quotation; the booking becomes firm on receipt of the deposit. With 18 days to the service today, this booking already falls in the 30-to-10-day band, where cancellation carries a 50% charge; from 23 September, 10 days out, it moves into the 100% band. Given how close the date is, we recommend confirming as soon as possible. Quotation valid until 22 September 2026.

We remain at your disposal for any clarification and look forward to hearing from you.
