

Quotation

A day on Monte Amiata · Castel del Piano (GR) · Saturday 22 August 2026

Prepared for Grand Hotel Impero, Castel del Piano · 21 August 2026 · Ref. GM-2026-0822-GI

The vehicles

Two minibuses with driver at your disposal for the whole day of Saturday 22 August, in Castel del Piano and on Monte Amiata.

Mercedes-Benz Beluga — 26 passenger seats plus driver, 7.64 m. Air conditioning, reclining ultra-comfort seats, fridge bar, on-board audio system, large luggage hold.

Mercedes-Benz Tourenco — 28 passenger seats plus driver, 7.86 m. Second vehicle, from Francesco Munna (Tuscany T.O. & Munna Bus Operator).

Together, the two vehicles carry up to 54 passengers. At 7.64 m the Beluga climbs to the summit of Monte Amiata and reaches the parking areas of the mountain villages, where a full-size coach cannot go: on these roads it is the right vehicle, and will lead the way for the Tourenco too. We need the exact number of passengers to confirm how the group splits between the two vehicles.

The service

When	Programme
Saturday 22 August	Two vehicles, Beluga and Tourenco, departing from Corte Francigena towards Monte Amiata. Vehicles and drivers stay at your disposal for the whole day of the excursion, among the mountain's villages and viewpoints. Departure time and stops will be agreed with you closer to the date.
End of day	The two vehicles return to Corte Francigena , where they stay engaged on another of our services — not to the Ponte Buggianese base.

The departure time and the stops on the mountain will be confirmed with you: what matters is that the two vehicles stay yours without a break for the whole day.

tell you beforehand rather than afterwards.

Not included. The driver's meals, which remain at your charge. Lunches, entrance fees, guides and gratuities. Waiting beyond the times set out here, € 50.00 per hour per vehicle. Additional stops or route changes outside the Amiata, quoted on request. Return after 02:00, € 250.00. Notes

- **First of all: confirmation by phone.** The Beluga is GiroMunna's own minibus; the Tourenco is a second vehicle from Francesco Munna. Girolamo will call you shortly to confirm both are available on Saturday: until that call, this quotation is a price, not a booking.
- **The second minibus.** The Tourenco — 28 seats plus driver, 7.86 m — comes from Francesco Munna, who operates as Tuscany T.O. & Munna Bus Operator.
- **The vehicles' journey from Corte Francigena.** Both minibuses are already engaged near Montalcino: it is a short hop to Castel del Piano for each, not a trip from our base, which is why their transfer lines weigh so little on the total. Should they need to return to the Ponte Buggianese base at the end of the day instead of going back to Corte Francigena, the transfers grow and the price needs revising: we will confirm as soon as we know how the day closes.
- **How many of you there are.** The Beluga carries 26 passengers plus the driver, the Tourenco 28 plus the driver: together, up to 54. Send us the exact number to confirm how the group splits between the two vehicles.
- **The mountain roads.** The Amiata's roads are often one hairpin after another, and several of the old village centres are narrow: usually you get off at the car park by the entrance and walk in. The Beluga, at 7.64 m, gets there without trouble; the Tourenco, at 7.86 m, should manage too, but on the tightest stretches we will check the drop-off point before we set off, with the Beluga leading the way. If you have a particular stop in mind, tell us which.
- **The drivers' meals.** Saturday lunch always stays at the client's charge for both drivers: we do not put it in the quotation and we do not arrange it. Should you want to keep the vehicles for the evening too — dinner on the mountain, a return after 20:00 — the drivers would need to stay overnight in Castel del Piano, also at your charge: let us know in good time. The easiest arrangement, and the one almost all our clients choose, is to have them eat at the same property as the group.
- **To confirm we need** the number of passengers and how they split between the two vehicles, your preferred departure time for the mountain, a WhatsApp contact for the person travelling with the group, and your invoicing details.
- **Availability and cancellation.** Cancellation is free of charge more than 60 days before the service; from 60 to 30 days the deposit is retained; from 30 to 10 days 50% of the price is charged; in the last 10 days, 100%. With less than twenty-four hours to the service, this booking falls entirely within the last band. Quotation valid until 20:00 on 21 August 2026, the point beyond which the vehicles can no longer be organised in time for tomorrow.

We remain at your disposal for any clarification and will confirm the departure time as soon as possible.
