

Quotation

Guest shuttle for the wedding at Tenuta di Artimino · Sunday 11 October 2026

Prepared for Aries Weddings Tuscany · 1 October 2026 · Ref. GM-2026-1011-AW

The vehicles

Two minibuses, one for each property, each with its own driver: guests board in front of their own villa and step off at the Tenuta, with no changes and no detours.

Mercedes-Benz Beluga — 26 passenger seats plus driver, 7.64 m. For the 26 guests at Villa la Malva.

Mercedes-Benz Tourengo — 28 passenger seats plus driver, 7.86 m. For the 18 guests at Borgo di Villa Castelletti.

Both with air conditioning, reclining ultra-comfort seats, fridge bar and on-board audio system.

Both vehicles are under 8 metres: they climb the Carmignano hill roads and drive right up to the entrance of Tenuta di Artimino and of the villas, where a full-size coach would have to stop further down and leave guests to walk in their wedding clothes.

Notes

- **The guests in Lastra a Signa and at Villa le Farnette.** For the 7 guests at the Airbnb on Via Livornese and the 3 at Villa le Farnette in Comeano we have no vehicle available in that time slot: this quotation covers the 44 guests at the other two properties. For these 10 guests we suggest arranging a separate service soon, as with the wedding a week away availability in the area is already tight.
- **The Beluga is full.** The 26 guests at Villa la Malva take all 26 seats, with none to spare. Every child counts as a passenger, however small. If the number grows by even one person, please tell us straight away: it is not something that can be solved on the night. On the Tourengo, with 18 guests, 10 seats remain free.
- **A single return at 03:00.** At a wedding not everyone stays to the end: older guests, families with children and anyone flying the next day usually want to leave earlier. If you think it is needed, we can add a return run around half past midnight: let us know before confirming and we will quote it.
- **The late-night return is included.** A return after 02:00 normally carries a supplement of € 250.00 per vehicle: for this service it is already included in the price, with departure from the Tenuta at 03:00.
- **Delays at the end of the evening.** The vehicles are ready at the Tenuta from 02:45. If the party runs on, waiting beyond 03:00 is charged at € 50.00 per hour per vehicle. Please tell us who — one of you coordinators or the couple — can give the drivers the signal to leave.
- **Pick-up and drop-off points.** At Tenuta di Artimino please confirm which entrance to use, the Borgo or the Medici Villa, and where guests should step off. For the two villas we only need the exact address and the meeting point at the gate.
- **To confirm we need** the final number of guests for each villa, the name and mobile number of a contact person for each group, and your invoicing details.
- **Availability and cancellation.** Both vehicles are currently free and we hold them for you until 3 October 2026, the validity date of this quotation; the booking becomes firm on receipt of the deposit. With 10 days to the service, once the booking is confirmed a cancellation is charged at the full amount.

We remain at your disposal for any clarification and look forward to hearing from you.
