The 13-18 September programme is already settled in full, for which our thanks: this is therefore the only amount left to pay.

Included. Vehicle and driver, fuel, motorway tolls, parking at Florence Airport, full insurance and luggage handling for both the departing and the continuing guests. The airport stop is included for up to 30 minutes. Florence Airport carries no access fee and the destination does not sit inside a restricted traffic zone: no other charges apply.

Not included. Waiting beyond the times set out here, € 50.00 per hour. Additional stops or a change of destination, quoted on request. The driver's board and lodging, which remain at your charge as per the quotation: this transfer adds no night at all, as on 18 September the driver returns to base the same day.

Payment

You can settle the amount by bank transfer after the service, with its invoice: there is nothing to pay in advance. Bank transfer to Munna Girolamo Giuseppe — IBAN IT59 0053 4137 0700 0000 0034 24 — BIC/SWIFT BAPPIT21S05.

Notes

- **The exact address of Casa Rufina.** We need it to confirm the timing. The 30 km you mention point to the area south-east of Florence; if the destination is instead up the Sieve valley, towards Rufina and Pontassieve, it is about forty

kilometres and the arrival shifts by roughly a quarter of an hour. The price is the same either way: send us the address and we will confirm the exact time.

· **The order of the two stops is the right one.** Airport first and Casa Rufina afterwards, just as you set it out: the destination lies on the far side of Florence from the airport, and calling there first would add more than an hour to the run for those catching a flight.

· **Luggage at the airport.** This is the one thing that can cost time. At hotel check-out, have the suitcases of the five guests travelling on loaded last: they stay at the front of the hold, and at the airport only the departing luggage comes out, without emptying the whole hold onto the departures kerb.

· **How many guests.** We have understood 16 departing and 5 travelling on, out of the 21 on the programme: please confirm the numbers, as the driver counts passengers before leaving the airport.

· **To confirm.** As this is tomorrow's service, a text or WhatsApp to +39 335 587 4744 with the Casa Rufina address and the passenger numbers is all we need.

Thank you for the balance, which has reached us. We remain at your disposal and wish you a fine last day in Tuscany.

Kind regards,
