Prepared for Natascia, Cral A.T. Pistoia · 30 October 2026 · Ref. GM-2026-1208-AT

The vehicle

A coach reserved for your group, with its driver, for the whole day: from Pistoia to Lake Trasimeno, then to Arezzo for the afternoon and evening, and back to Pistoia. The vehicle stays with you at every stop, with no other passengers.

> **Mercedes-Benz Tourismo** — touring coach with driver. Air conditioning, reclining seats, on-board audio system, large luggage hold.

A proper touring coach, comfortable for a day with about four hours on the road: there is room for the whole group and space to move without feeling cramped.

Notes

· **Number of participants.** The request does not give a number: we need to know how many you are, to confirm the vehicle. The price refers to one coach.

· **8 December on the A1.** It is a public holiday and the end of the Immacolata long weekend: in the morning southbound traffic is usually light, while in the evening the return towards Florence is often slow, especially between Valdarno and Firenze Sud. The arrival in Pistoia planned for around 21:45 may slip towards 22:15: we suggest telling participants, for whoever is collecting them.

· **Arezzo with the Christmas markets.** On the Immacolata holiday the city is packed and vehicle access towards the centre is regulated. We drop you off and pick you up at the point permitted for coaches closest to the upper town and will tell you where before departure, together with the driver's number. If parking for coaches there is charged, the cost is at your charge, like any other parking fees during the day. To leave on time at 20:00 it is best to meet at the coach at 19:45: with the evening crowds it takes a few extra minutes.

· **Castiglione del Lago.** Arriving around 12:00 you have two hours: time for lunch and a walk through the old town up to the Rocca. If you have booked a restaurant, tell us which one: we will drop you at the most convenient coach stop.

· **Driver's lunch and dinner.** The driver is with you from 9:20 to about 22:00 and does not return to base between stops: his lunch and dinner are at your charge. They are not included in the price and we do not arrange them; the simplest solution is to add him to the group's restaurant booking. No overnight stay is needed.

· **The meeting point in via dell'Annone.** Please give us the exact spot (street number or landmark) where you want the coach to stop for boarding and for the evening return: it must be a place where a full-size coach can pull in and wait a few minutes.

· **To confirm we need** the final number of participants, the name and mobile number of a contact person travelling with the group and your invoicing details.

· **Availability and cancellation.** The vehicle is currently free and we hold it for you until 6 November 2026, the validity date of this quotation; the booking becomes firm on receipt of the deposit. Once confirmed, a cancellation up to 8 November forfeits the deposit; from 9 to 28 November 50% of the amount is charged, and the full amount in the last 10 days.

Thank you Natascia, call me any time if you need anything. Talk soon!
