

Quotation

Shuttle service, Florence · Grassina · Pontassieve · Friday 9 October 2026

Prepared for House of Nine · 20 August 2026 · Ref. GM-2026-1009-HN

The vehicles

Two minibuses with drivers, both under eight metres as you asked: the right choice for Via Lilliano e Meoli and Via dello Stracchino, two hill roads a full-size coach cannot manage.

Mercedes-Benz Beluga — 25+1+1: 25 passenger seats plus the driver and the courier, 7.64 m. Air conditioning, reclining ultra-comfort seats, fridge bar, on-board audio system, large luggage hold.

Mercedes-Benz Tourengo — 27+1+1: 27 passenger seats plus the driver and the courier, 7.86 m. Air conditioning, reclining seats, on-board audio system, large luggage hold.

We are putting **these two vehicles and no others** at your disposal: **52 passenger seats** in total, and that is what the price covers. You told us the group is 80-100 people, so the passengers beyond 52 need further vehicles, which are not part of this quotation: we set this out in full in the notes below. The two minibuses carry the numbers 1 and 2 clearly displayed, so your guests find the same one at every stage.

The service

Transfer	Route	Vehicles engaged
1 · 14:30	Florence, House of Nine (Via dei Conti 9) → Villa Medicea di Lilliano, Via Lilliano e Meoli 82, Grassina (FI). The two minibuses are in position at 14:00 at the agreed boarding point, boarding from 14:15 and departure at 14:30. About 12 km and 35 minutes in Friday afternoon traffic, reaching the villa around 15:05.	14:00 – 15:15
2 · 18:00	Villa Medicea di Lilliano → Tenuta Bossi, Marchesi Gondi, Via dello Stracchino 32, Pontassieve (FI). Departure at 18:00 and about 25 km via Bagno a Ripoli and Rosano, 45 minutes, reaching the estate around 18:45.	18:00 – 19:00
3 · 23:00	Tenuta Bossi → Florence, House of Nine. Departure at 23:00 and about 22 km along the Aretina, 35 minutes, back in Florence around 23:40 at the same point as the pick-up. The 23:00 departure time is firm: beyond that hour a second permit for access to the centre of Florence is required, see notes.	23:00 – 24:00
Between transfers	Vehicles and drivers stay with you. Almost three hours pass between the first and second transfer, more than four between the second and the third. Our base is 55 km from Florence, so the vehicles do not go back: they stay on site with their drivers, at your disposal from 14:00 to 24:00. If you need to bring a time forward or add a run, just tell the driver on the spot.	all day

Notes

· **We are putting two minibuses at your disposal: the Beluga and the Tourenco.** That is 52 passenger seats in total, and the price in this quotation is for those two. You told us the group is 80-100 people: the passengers beyond 52 need further vehicles, and those are not included here. You can arrange them yourselves, or tell us and we will see whether we can find them for you — in that case we would quote them separately. What we cannot do is cover the whole group by running these two vehicles twice: between the first and the last transfer the drivers' day is already twelve hours, and doubling the runs would take it beyond the permitted driving limits. We still need the final passenger count, so we can confirm how it splits across the two minibuses.

· **The boarding point in Florence.** House of Nine is at Via dei Conti 9, a few steps from the Duomo, in the heart of the restricted traffic zone: the city permit our vehicles need to enter the centre is included in the price, we apply for it ourselves and you will find it in the table above. What remains to be agreed is the exact stopping point, because Via dei Conti is narrow and boarding a large group onto two minibuses takes a few minutes at the kerb: tell us and we will settle it together, far better now than on the day. If there turns out to be no way of stopping at the door, the most convenient alternative is **Via Valfonda or Piazza Adua**, behind Santa Maria Novella station, where coach stops are authorised: just over 400 metres from the hotel, five minutes on the flat.

· **The 23:00 departure is firm, and there is a precise reason.** The Florence access permit included in the price is valid for the day of 9 October. Leaving Tenuta Bossi at 23:00 brings you back into the city around 23:40, within that day. If the

departure slips, you enter Florence after midnight — a different day — and **a second permit is required: a further € 421.00**, which would be charged to you. On top of that comes waiting beyond the agreed time, € 50.00 per hour per vehicle, which is € 100.00 an hour for the two. At a party the departure time almost always slips, so we ask you to build the evening around leaving at 23:00 sharp, with the guests ready a few minutes before. Here, slipping costs, and it costs immediately.

· **Access and parking at Villa Medicea di Lilliano.** Via Lilliano e Meoli climbs from Grassina for about a kilometre and it is narrow: precisely why you asked for vehicles of this class. We need two confirmations from the villa, in writing if possible: where the vehicles set down, and whether they may stay parked on the estate from 15:00 to 18:00. If there is no room, the minibuses go back down to Grassina and come up again at 18:00 at no extra cost — but it is something to know beforehand, not at the gate.

· **Access and parking at Tenuta Bossi.** The same question, and a more delicate one: here the wait is over four hours and the departure is at night, on a narrow unlit hill road. Please ask the estate for the set-down point, the manoeuvring space and, if possible, for the minibuses to stay inside until departure: at 23:00 in the dark, having them already in position saves time and a good deal of confusion.

· **The seats on the two minibuses and the 25 limit.** The Beluga is homologated **25+1+1**: twenty-five passenger seats, plus the driver's seat and the courier's. It therefore sits exactly within the limit you gave us. The Tourenge is **27+1+1**, so two passengers more, but it is 7.86 m long: on the road it takes the same space as the Beluga and it handles both climbs the same way. If the 25 limit was set by one of the two venues and is a limit on people rather than on the vehicle, tell us: we will load 25 on the Tourenge and the passenger seats become 50 in total.

· **Two vehicles move together only if someone coordinates them.** The time is lost in boarding, not on the road. We suggest assigning guests to minibus 1 or minibus 2 from the first transfer onwards, so at every stage each person gets back on the same one. We give your coordinator the mobile numbers of both drivers and keep a single point of contact on our side for the whole day.

· **To confirm we need** the final passenger count, your choice of boarding point in Florence, the access and parking confirmations from both venues, the definitive departure time from Tenuta Bossi, a mobile or WhatsApp contact for the person looking after the group on site, and your invoicing details.

· **Availability and cancellation.** The two minibuses are currently free and we hold them for you for the whole validity of this quotation; the booking becomes firm on receipt of the deposit. Cancellation is free of charge more than 60 days before the service; from 60 to 30 days the deposit is retained; from 30 to 10 days 50% of the price is charged; in the last 10 days, 100%. With 50 days to the service today, this booking falls in the 60-to-30-day band, and from 9 September it moves into the 30-to-10 band. Quotation valid until 3 September 2026.

We remain at your disposal for any clarification and look forward to hearing from you.
