

Quotation

Cultural excursion in Tuscany: Siena, San Gimignano and Pisa · 26 September 2026

Prepared for Maria Juliana Veron · 14 August 2026 · Ref. GM-2026-0926-MJV

The vehicle

One minibus for your group, up to 26 people, with the same driver for the whole day.

Mercedes-Benz Beluga — 26 passenger seats plus driver, 7.64 m. Air conditioning, reclining ultra-comfort seats, fridge bar, on-board audio system, large luggage hold.

With the group at full strength the Beluga is at its maximum capacity, with no spare seats: we ask you for this reason to confirm the final headcount as soon as you can. Its 7.64 metres remain a real advantage for the day all the same: the vehicle reaches the coach parks near the walls of both Siena and San Gimignano, where a full-size coach struggles to manoeuvre or cannot get in at all.

Notes

- **Pick-up point in Florence.** We need the exact departure address, hotel or meeting point: if it sits inside the historic centre's restricted traffic zone, a tourist coach entering it needs a separate permit, about € 423.50, not included in the price. Outside that zone there are no extra charges. Confirm the address and we will tell you right away whether the permit is needed.
- **Passenger count.** This quotation is calculated on the full group, 26 people: that is the Beluga's maximum capacity, with no spare seats. If the final number were lower, the vehicle price stays the same — it is a per-day cost, not a per-person one — but we still ask you to confirm the exact number before departure.
- **Access at Siena and San Gimignano.** The Beluga measures 7.64 m, under the 8-metre threshold: it reaches the dedicated coach parks near the walls of both towns, where a full-size coach struggles to manoeuvre or cannot get in at all. From there the historic centre is a few minutes' walk.
- **Lunch and entrance fees.** The free time in San Gimignano, from 11:50 to 14:30, is also meant for lunch, which you arrange freely. Entrance fees, tastings and guides are not included in the transport price.
- **A long day.** From the 07:30 meeting point to the 18:55 return, about eleven and a half hours go by, but it stays within a single driver's permitted hours: no change of driver and no overnight stay away from base are needed.
- **Indicative timings.** The times in this programme are a working basis: we confirm them with you based on the opening hours of the sights and the traffic expected on 26 September, at no extra cost for small adjustments.
- **To confirm we need** the final passenger count, the exact meeting and drop-off address in Florence, a mobile or WhatsApp contact for the person travelling with the group, and your invoicing details.
- **Availability and cancellation.** The vehicle is currently free and we hold it for you for the whole validity of this quotation; the booking becomes firm on receipt of the deposit. Cancellation is free of charge more than 60 days before the service; from 60 to 30 days the deposit is retained; from 30 to 10 days 50% of the price is charged; in the last 10 days, 100%. With 43 days to the service today, this booking falls in the 60-to-30-day band, and from 27 August it moves into the 30-to-10 band. Quotation valid until 28 August 2026.

We remain at your disposal for any clarification and look forward to hearing from you.
