Notes

- **Our service covers only 10 and 11 October.** The programme you sent runs over eight days, from 7 to 14 October: at the moment we only have availability for these two. For 7-9 and 12-14 October you will need another transport provider; let us know if a recommendation would help.
- **The transfer on 10 October.** The group leaves Borgo Elissa with all the luggage and only reaches the hotel in Montalcino in the evening, after three stops. The Beluga's hold takes a week's luggage for 22 guests without difficulty, but do tell us in advance about any oversized items.
- **Access to the historic centres of Montepulciano and Pitigliano.** Both are hill towns with narrow streets and regulated historic centres. The Beluga, under 8 metres, reaches points a full-size coach cannot, but please have the local guides confirm the drop-off point and any municipal permit, so we can verify it in good time.
- **11 October is the longest day**, about 195 km there and back to Saturnia and Pitigliano: the times in the programme (8:30 am – 7:00 pm) are a solid base, but if the stop at the thermal pools or lunch in Pitigliano run long, let us know so we can keep the driver informed.
- **The driver's board and lodging.** One night is needed, that of 10 October in Montalcino: it remains at your charge, and you book and pay for it directly. The easiest solution is the same Hotel Dei Capitani where the group is staying.
- **Availability and cancellation.** The vehicle is currently free for 10 and 11 October and we hold it for you until this quotation's validity date; the booking becomes firm on receipt of the deposit. With 7 days to the first service today, this booking already falls in the last-10-days band, so any cancellation after confirmation incurs 100% of the price. Quotation valid until 9 October 2026.
- **To confirm we need** the final passenger count, a mobile or WhatsApp contact for the person travelling with the group, and your invoicing details.

We remain at your disposal for any clarification and look forward to hearing from you.
