

Quotation

Transfer Tenuta di Artimino ↔ Tenuta di Capezzana, Carmignano (PO) · 4 October 2026

Prepared for Chiara Buonamici · 16 September 2026 · Ref. GM-2026-1004-CB

The vehicle

Our own vehicle for your group's transfer between the two estates.

Mercedes-Benz Beluga — 26 passenger seats plus driver, 7.64 m. Air conditioning, reclining ultra-comfort seats, fridge bar, on-board audio system, large luggage hold.

The Beluga seats 26 passengers plus the driver, but for this service 25 are available for your group, with one seat reserved for an accompanying guide. With about 30 people, one vehicle is not enough on its own: this quotation is for one Beluga only. Please let us know the exact number of participants so we can confirm whether a second support minibus is needed, with its additional cost agreed separately. At 7.64 m it is still an advantage for reaching the courtyards of both estates, where a full-size coach struggles to get in.

Notes

- **Number of participants.** The request states about 30 people; for this service the Beluga has 25 seats available for the group, plus one reserved for the accompanying guide. Please let us know the exact number: if the group is above 25, we will work out together whether a second support vehicle is needed and its cost. In the meantime this quotation covers one Beluga only.
- **Access at both estates.** The internal roads of wine estates are often narrow: please have Tenuta di Artimino and Tenuta di Capezzana confirm the pick-up/drop-off point and the manoeuvring space for a 7.64 m vehicle. Better settled now than on the day itself.
- **Route and timing.** We have read the stated 10:00–12:00 as the service window for the transfer between the two estates. Please confirm whether this is a one-way transfer only or whether a return is also needed, and the precise departure time from Artimino.
- **How to book.** An email confirming this quotation plus the 30% deposit transfer to the IBAN above are all we need; we will reply with written confirmation of the service and hold the vehicle for 4 October.
- **Validity and cancellation.** Quotation valid until 30 September 2026. With 18 days to the service today, this booking already falls in the 30-to-10-day band: cancelling now retains 50% of the price; from 24 September it moves into the last band, with 100% retained. It is worth confirming soon to hold the vehicle.

We remain at your disposal for any clarification and look forward to hearing from you.
