

Quotation

Lucca · Tenuta di Forci · Lucca, vehicle and driver at your disposal · Wednesday 7 October 2026

Prepared for Ray Zeoli · 21 August 2026 · Ref. GM-2026-1007-RZ

The vehicle

One private minibus for your group of 24, reserved for your party for the whole of the service.

Mercedes-Benz Beluga — 26 passenger seats plus driver, 7.64 m. Air conditioning, reclining ultra-comfort seats, fridge bar, on-board audio system, large luggage hold.

With 24 guests on board two seats stay free. The 7.64 m is the reason we can confirm Forci for you: both the diversion around the landslide and the seven-kilometre climb up to the estate are narrow hill roads that a full-size coach cannot manage. No other group travels with you.

Notes

- **The landslide and the route to Forci — we confirm it.** The via per Pieve Santo Stefano — the climb taken from Sant'Alessio after the bridge over the Serchio, the normal road to the estate — is cut by a landslide, and the City of Lucca has a € 780,000 site open there, piling and tie-backs to stabilise the slope for good. The connection is nonetheless maintained by the two alternative roads the City indicates, **via Piana and via delle Foreste**, which climb from Mutigliano: they are open and we drive them with the Beluga at no surcharge. They are narrow hill roads, and that is precisely why we are offering you a 7.64 m vehicle rather than a full-size coach, which would not get through. We will still drive the route ourselves before the service and re-check the City's traffic orders in the days beforehand: if the works changed the picture we would tell you in good time, with the alternative already worked out.
- **Where we pick you up in Lucca.** We cannot reach the door of the B&B La Bohème: via del Moro is a few steps from piazza San Michele, in the heart of the walled city, and a vehicle of this size does not go in there. The nearest authorised loading and unloading point is **Piazzale Boccherini**, just inside Porta Sant'Anna: about 500 metres from the B&B, six or seven minutes on the flat along via San Paolino, straight ahead and with no steps. The other authorised coach points — Porta San Pietro, Porta Santa Maria, Porta Elisa — are further from via del Moro. If any of your party finds walking difficult, we can arrange a car shuttle from the door of the B&B to the square: tell us and we will quote it.
- **The access permit for Lucca.** The City of Lucca requires tourist coaches entering the green zone to hold a permit bought before access, and Piazzale Boccherini sits inside that area. We take care of it and advance it on your behalf: you will find it in the quotation as a line of its own, € 180.00 with no VAT, because it is a charge of the City's and not a service of ours. Better than buried in the price. It is the only access charge on this programme, as Tenuta di Forci has none.
- **One vehicle, as you asked.** The Beluga has 26 passenger seats: your 24 all fit, with two seats to spare, on a private vehicle reserved for your group alone. It is also the right answer for that road, because a single 7.64 m vehicle gets through where two larger ones would cause trouble. If the number grows beyond 26 passengers, tell us straight away, as it would change both the arrangement and the price.
- **The waiting time during lunch is already in the price.** We are not quoting two separate transfers with the waiting charged on top: vehicle and driver stay at Forci for the whole of the lunch and the tasting, and the price covers it. We have built the quotation on the later of the departure times you gave us, 16:00, and we hold the vehicle until 17:00: if lunch runs half an hour long, you pay nothing more.
- **Manoeuvring space at the estate.** The last seven kilometres up to Forci climb, and the estate is a large one — 360 hectares of woods, vineyards and olive groves. Please have the estate confirm the exact point where the group can be set down, the space to turn a 7.64 m vehicle, and where the driver can leave the minibus during lunch. We are happy to call them ourselves: just give us the name of your contact at Forci. Far better settled now than on the day.
- **No overnight stay for the driver.** The service is over within half a day and the driver returns to base the same evening: there is no board or lodging at your charge and nothing will be billed on that account. We put it in writing because on multi-day programmes it is a cost that stays with the client, and here we want it clear that it does not arise.
- **To confirm we need** the final passenger count, a mobile or WhatsApp contact for the person travelling with the group, which departure time from Forci you prefer between 15:30 and 16:00, confirmation that Piazzale Boccherini suits you as the meeting point, and your invoicing details.
- **Availability and cancellation.** The vehicle is free on 7 October and we hold it for you for the whole validity of this quotation; the booking becomes firm on receipt of the deposit. Cancellation is free of charge more than 60 days before the service; from 60 to 30 days the deposit is retained; from 30 to 10 days 50% of the price is charged; in the last 10 days, 100%. With 47 days to the service today, this booking falls in the 60-to-30-day band, and from 7 September it moves into the 30-to-10 band. Quotation valid until 4 September 2026.

We remain at your disposal for any clarification and look forward to hearing from you.
