

Supplement to the quotation

Friday 18 September 2026 · 11:30 pick-up in Forte dei Marmi and onward leg to Casa Ruffino

Prepared for Alvora · 17 September 2026 · Ref. GM-2026-0918-BI · Supplements quotation GM-2026-0913-BI

Here are the answers to the two points you raised for tomorrow: the earlier pick-up from the hotel and the onward leg to Casa Ruffino for the five guests who are not flying out. The first carries no charge, the second is quoted below. Everything else in quotation GM-2026-0913-BI stays as it is.

The vehicle

The same vehicle and the same driver who have been with you since 13 September.

Mercedes-Benz Beluga — 26 passenger seats plus driver, 7.64 m. Air conditioning, reclining ultra-comfort seats, fridge bar, on-board audio system, large luggage hold.

After the airport five guests stay on board with their luggage: more than enough room, and at 7.64 m the minibus reaches the estate courtyard without difficulty, exactly as on 13 September.

The service

Fri 18 Sep 13:10	Florence Airport (FLR) → Casa Ruffino. About 30 km for the five guests staying on in Tuscany, reaching the estate around 14:00. The driver then returns to base the same day.	approx. 13:10 – 14:00

Notes

- **The order of the two stops is the right one.** Airport first and Casa Ruffino afterwards, just as you set it out: the estate lies on the far side of Florence from the airport, and calling there first would add more than an hour to the run for those catching a flight. The departing guests get out with time in hand, and those staying reach the estate shortly after.
- **Which Casa Ruffino.** We have based the 30 km on Tenuta Poggio Casciano at Bagno a Ripoli, the same estate you visited on 13 September, which is indeed about thirty kilometres from the airport. If it is a different Ruffino property, send us the exact address: we will redo the figures and tell you straight away whether the price changes.
- **Luggage at the airport.** This is the one thing that can cost you time tomorrow. At hotel check-out, have the suitcases of the five guests travelling on loaded last: they stay at the front of the hold, and at the airport only the departing luggage comes out, without emptying the whole hold onto the departures kerb.
- **Flight times.** With an 11:30 pick-up you are at departures around 12:50, comfortable for a flight from 15:00 onwards. If yours leaves earlier, tell us and we will start earlier still — again at no extra cost. Do let us know what time Casa Ruffino expects you as well, so we can judge the airport stop.
- **How many guests.** We have understood 16 departing and 5 travelling on, out of the 21 on the programme: please confirm the numbers, as the driver counts passengers before leaving the airport.
- **To confirm.** As this is tomorrow's service, a text or WhatsApp to +39 335 587 4744 with the pick-up time, the Casa Ruffino address and the passenger numbers is all we need. With the programme already settled there is nothing further to pay beforehand: the supplement is settled after the service.

Thank you for the balance, which has reached us. We remain at your disposal and wish you a fine last day in Tuscany.

Kind regards,
