Notes

- **Luggage is the first thing to look at.** The group checks out in Siena and only reaches Florence in the evening, so the suitcases travel with you all day. The Beluga's hold takes about twenty normal-size suitcases comfortably; twenty-five large ones will not all fit. We therefore need the number and size of the bags. If there are too many, there are two solutions: ask guests for one medium suitcase each, or send the luggage separately by van straight from Siena to the Florence hotel, which we can quote on request. During the visits the vehicle stays locked in the coach park: valuables are best kept with you.
- **Timings.** We have read 11:00 and 16:00 as *departure* times from Monteriggioni and San Gimignano. Siena to Monteriggioni takes only 25 minutes, so the group has about two and a half hours in the village and more than four in San Gimignano. If 11:00 is instead your arrival time in Monteriggioni, we move the Siena departure to 10:30 at no change in price: just let us know and we will update the programme.
- **Arriving in Florence.** Via Maso Finiguerra is in the historic centre, which a tourist coach may only enter with a separate city permit. We have included it so we can bring you to the hotel door with your luggage. Alternatively we can drop you at the nearest authorised coach stop, 10-15 minutes' walk away, and remove the € 450.00 permit: with luggage in tow we would not recommend it.
- **Leaving Siena.** The NH Siena is on Via La Lizza, outside the walls and reachable by the vehicle. The City of Siena still requires its tourist coach permit even for a passenger pick-up: that is the € 160.00 line in the table, and we take care of it.
- **San Gimignano.** Coaches drop groups at the Porta San Giovanni terminal, at the entrance to the historic centre, and collect them there at 16:00. The driver will give you his number on departure so meeting up again is straightforward.
- **The driver's meal.** No overnight stay is needed: the driver leaves our base in the morning and returns in the evening. His lunch on 11 October remains at your charge, arranged and paid for by you: the simplest option is to add him to the group lunch in San Gimignano.
- **Passenger numbers.** The Beluga has 26 seats besides the driver. With 25 guests one seat remains for the guide or tour leader; if there would be more than 26 on board, please tell us straight away.
- **To confirm we need** the final passenger count, the number and size of the bags, a mobile or WhatsApp contact for the person accompanying the group, and your invoicing details.
- **Booking and cancellation.** The booking becomes firm on receipt of the deposit. Cancellation is free of charge more than 60 days before the service; from 60 to 30 days the deposit is retained; from 30 to 10 days 50% of the price is charged; in the last 10 days, 100%. With 11 days to the service today, this booking falls in the 30-to-10-day band, and from 1 October it moves into the last 10 days. Quotation valid until 3 October 2026.

We remain at your disposal for any clarification and look forward to hearing from you.
