

Quotation

Coach hire with driver — wedding shuttle · Fattoria I Bonsi, Reggello (Florence) · Friday 25 September 2026

Prepared for Sean and Hannah · 8 September 2026 · Ref. GM-2026-0925-REGGELLO · valid until 15 September 2026

Thank you for your enquiry and for the details of your group. This quotation is built around your two points: 50 guests, with three of them at Hotel Archimede, and each minibus doing two short runs rather than one long one, so that nobody spends more than about half an hour on board. Both vehicles are compact minibuses rather than full-size coaches, which is what the hill roads around Pietrapiana, Donnini and Cascia require.

The vehicles

Vehicle 1. Mercedes-Benz minibus — 25+1+1 (25 passenger seats + tour leader + driver), air conditioning, fridge, reclining seats, luggage compartment.

Vehicle 2. Mercedes-Benz minibus — 27+1+1 (27 passenger seats + tour leader + driver), air conditioning, reclining seats, luggage compartment.

Seating	52 passenger seats against 50 guests: everyone fits comfortably, with two seats to spare.
Time on board	Around 30 minutes at most, and 10 to 20 minutes for most guests. This is what the two runs per vehicle are for: each run covers a small cluster of addresses close to one another, so no one sits through the whole collection.
Drivers	Two professional drivers, one per vehicle, on duty for the whole evening.

Programme — Friday 25 September 2026

Four short collection runs, two per vehicle, running in parallel so that every guest is at the venue well before 18:00. The times below are our working plan: we confirm the exact pick-up time for each address three to four days before the wedding, once you have told us which addresses a minibus can actually reach. Both vehicles then stay at the venue and take the same guests back from 23:00, again in two runs each.

Run	Route	Timing
Vehicle 1 first run	Casalino, Via Ponte di Casalino 66–68 (17) — Hotel Archimede and Podere Casalino are 120 m apart on the same road, so we serve them as a single stop → Loc. Rovai 26, Pietrapiana (3) → venue — Fattoria I Bonsi, Via Bonsi 47 . Two stops a few minutes apart, with the venue barely three minutes further on; arrival around 17:00.	from 16:35 20 guests
Vehicle 1 second run	Villa Pitiana Hotel, Via Provinciale per Tosi 7 (1) → Loc. I Trebbiali 116 (2) → venue, Via Bonsi 47 . Arrival at the venue around 17:45.	from 17:20 3 guests
Vehicle 2 first run	Le Siepi, Via Filippo Turati Montanino 16 (1) → Loc. Podere la Romola 78 (14) → Podere Houston/Giusti, Loc. Giusti 105 (4) → venue — Fattoria I Bonsi, Via Bonsi 47 . Arrival at the venue around 17:00.	from 16:20 19 guests
Vehicle 2 second run	Loc. S. Giovenale 55 (2) → La Terrazza di Reggello, Via di Fano 6 (2) → Appartamento Olivella, Via Fornacina 32 (2) → Via dei Glicini 14, Poggio ai Giubbiani (2) → venue — Fattoria I Bonsi, Via Bonsi 47 . Arrival at the venue around 17:50, comfortably before your 18:00 deadline.	from 17:15 8 guests

Run	Route	Timing

Rovai, all of whom are home by about 23:20; it is back at the venue at 23:30 and takes the last three to I Trebbiali and Villa Pitiana by about 23:55. Vehicle 2 leaves at 23:00 with the eight guests at Poggio ai Giubbiani, Via Fornacina, Via di Fano and S. Giovenale, home by about 23:30; it returns to the venue at 23:47 and takes the last nineteen to Loc. No city access permits are due for this service. Some Tuscan cities charge coaches a daily access permit — Florence, Siena, Lucca, Pisa — and those charges can run into hundreds of euros. This wedding stays entirely within the municipality of Reggello, which has no such check point, so there is nothing of the sort in this quotation. If a charge did turn out to apply anywhere on the route, we would tell you beforehand and pass it on at its official cost, never as a surprise on the final invoice.

Included

- Two minibuses and two professional drivers for the whole evening, from the first pick-up to the last drop-off.
- Four collection runs and four return runs, two per vehicle, so that time on board stays around 30 minutes at most.
- Fuel, motorway tolls, parking and insurance.
- Positioning of both vehicles from and to our depot, before and after the service.
- Both vehicles and drivers at your disposal at the venue from 18:00 to 23:00.
- Night-time operation: the last guests are dropped off after midnight.
- All applicable taxes: VAT at 10% is shown separately above and is already counted in the total payable.

Not included

- Any additional journey beyond the ones described above — for example an earlier return for part of the group before 23:00: we can organise it, quoted separately.

- More than 52 guests, which is the total seating of the two vehicles: a larger group would need a third vehicle, to be quoted separately.
- Waiting beyond the agreed times: € 50.00 per hour, per vehicle.
- Meals, gratuities and personal expenses of the drivers not related to the service.
- Anything not expressly listed above.

Payment

Deposit of 30% on confirmation	€ 726.00	VAT included
Balance, by 20 September 2026	€ 1,694.00	

The balance is due by 20 September 2026, five days before the service. Bank details are sent with the confirmation request; the booking becomes firm when the deposit reaches our account. A tax invoice is issued for the full amount.

Validity. This quotation is valid until 15 September 2026. The date is close: we hold the two vehicles for you until then, but we cannot guarantee them afterwards.

Cancellation. Free of charge more than 30 days before the service. From 30 to 10 days the deposit is retained; from 10 to 3 days, 70% of the amount; in the last 72 hours, 100%. As the wedding is now less than 30 days away, a confirmation falls straight into the second band: the deposit is retained in case of cancellation. Force majeure is assessed case by case.

Points to confirm

- **The final number of guests.** This quotation is built on 50, across the eleven loading points you sent us. The two vehicles seat 52, so there is room for two more; above that we would need a third vehicle.
- **On the last return.** The two runs per vehicle keep time on board short, which was your main concern: the guests on the second run are not waiting on board, they stay at the reception until around midnight and then travel for about twenty minutes. The final drop-off still lands at around 00:25. Bringing everyone home substantially earlier than that would take a third vehicle rather than a different schedule, since each second run can only start once the first one is back.
- **Whether a minibus can reach each address.** Several pick-up points are farm houses on narrow lanes. Where a minibus cannot turn or pass, we agree a meeting point a short walk away rather than risk it on the evening.
- **The exact location of Loc. Podere la Romola 78 and Loc. Giusti 105** — a map pin or a phone number for each is enough to fix the order of the pick-ups.
- **A mobile number for the evening**, to be given to both drivers.
- **Your billing details.**

We are at your disposal to organise the service. On confirmation we will send the bank details and, closer to the date, the names and direct numbers of the two drivers together with the final pick-up time for each address.
