

Quotation

Private transport in Capannori and Tuscany · 20-24 April 2027

Prepared for Lisa Parks · 13 September 2026 · Ref. GM-2027-0420-LP

The vehicle

One minibus for your group of 12-14, with the same English-speaking driver throughout the programme.

Mercedes-Benz Beluga — 26 passenger seats plus driver, 7.64 m. Air conditioning, reclining ultra-comfort seats, fridge bar, on-board audio system, large luggage hold.

With 12-14 guests on board up to 14 seats stay free — plenty of room for people and luggage over five days of programme. At 7.64 m the minibus reaches the villa and the country lanes around Capannori without difficulty, as well as the historic centres of Lucca and Florence, which a full-size coach cannot manage.

The service

Notes

· **The Florence and Lucca bus permits.** Every day with a pickup, drop-off or stop in the centre of these two cities requires a municipal permit, which cannot be avoided by choosing a different meeting point: we have included it for 20 and 21 April in Florence (about € 350 each) and for 22 April in Lucca (about € 180). The only exception is the airport on 24 April, which does not require it. Let us know where in each city you would like to be dropped off and picked up, and we will confirm the exact spots.

· **Vans instead of the minibus.** You also asked us to quote two vans of 6-7 passengers each for comparison. Our own fleet is the Mercedes-Benz Beluga: with 12-14 people on board up to 14 seats stay free, there is ample room for luggage, and its 7.64 m still reaches narrow roads and courtyards a full-size coach cannot manage — the same advantage two vans would offer, but with a single driver and a single vehicle to coordinate. We do not operate vans of that size ourselves: if you would still rather travel on two smaller vehicles, that is an option to look into separately with a dedicated supplier, at an additional cost we have not included in this quotation. Let us know if you would like us to look into it.

- **23 April.** The day's programme is still being defined, as noted in your request. The price shown here is provisional, based on a full day at disposal locally: as soon as you send us the times and stops we will confirm it, up or down depending on the actual commitment.
- **The late return on the 22nd and the start on the 23rd.** Dinner in Lucca on 22 April returns between 23:00 and midnight. To respect the driver's rest periods, we ask that transport on 23 April not start before about 10:00.
- **Luggage on 20 and 24 April.** The Beluga's hold is large, and with your group of 12-14 there is more than enough room. Please still let us know in advance about oversized items, such as golf bags or sports equipment.
- **Train and flight times.** We need the arrival time of the train on 20 April at Florence Santa Maria Novella and the departure time of the flight on 24 April from Florence Airport, to confirm the exact schedule of both transfers.
- **The wineries on 22 April.** We are glad to suggest a couple of wineries in the Colline Lucchesi, a few minutes from the villa; let us know if you would rather name them yourselves or rely on our recommendation.
- **To confirm we need** the final number of participants (between 12 and 14), the exact address of the villa in Capannori, and your invoicing details.
- **Availability and cancellation.** The vehicle is currently free for 20-24 April 2027. Cancellation is free of charge more than 60 days before the first service; from 60 to 30 days the deposit is retained; from 30 to 10 days, 50%; in the last 10 days, 100%. With more than seven months to the first service, we are of course happy to reconfirm the quotation closer to the date. Quotation valid until 13 October 2026.

We remain at your disposal for any clarification and look forward to hearing from you.
