Prepared for Group staying at iQ Hotel Firenze · 15 October 2026 · Ref. GM-2026-1023-IQ

The vehicle

A minibus reserved for your group, with its driver, for two full days: it picks you up at the iQ Hotel in the morning, takes you from town to town and brings you back to the hotel in the evening, with no other passengers and no timetables to chase.

> **Mercedes-Benz Beluga** — 25 passenger seats plus guide seat and driver, 7.64 m. Air conditioning, reclining ultra-comfort seats, fridge bar, on-board audio system, large luggage hold.

Ten of you on 25 seats travel in comfort, with room for bags, shopping and the bottles you will want to take home from the winery. And at under 8 metres long the Beluga reaches the car parks closest to the historic centres and the gravel roads to the wineries, where a full-size coach cannot go.

Notes

· **Availability.** The minibus is free on both dates, Friday 23 and Saturday 24 October. Time is short: to hold it for you we need your confirmation by 17 October 2026, the validity date of this quotation.

· **Florence and the check point.** The iQ Hotel lies within the part of the city that a tourist coach may enter only by paying the municipal check point, € 421.00 per day. It is already included in the price, as are the permits for Pisa, Lucca, Siena and San Gimignano: there is nothing else to pay along the way.

· **Friday, Pisa and Lucca.** In Pisa the minibus drops you at the coach park in Via Pietrasantina, a five-minute walk from the Tower. Around 12:30 we leave for Lucca, where we drop you near the city walls: lunch and the afternoon are yours, and at 16:30 we head back to Florence. If you wish to climb the Leaning Tower, tickets must be booked in advance for a set time: let us know and we will plan the morning around it.

· **Saturday, Siena, San Gimignano and the winery.** Arrival in Siena around 9:45: the morning and lunch in town. Around 13:00 we leave for San Gimignano, where you stay until about 15:30. The winery is the last stop, from about 16:15 to 17:45, on the way back: after the tasting none of you has to drive, and half an hour later you are at your hotel. In Siena and San Gimignano coaches stop outside the walls: from the car park to the centre is about ten minutes on foot, uphill. Comfortable shoes are a good idea.

· **The wineries we recommend.** The choice and the booking are yours; here are a few addresses on the way between San Gimignano and Florence, all with guided tours, tastings and vineyard views. **Antinori nel Chianti Classico**, in Bargino: a modern winery carved into the hillside, its roof covered in vines, half an hour from Florence. **Badia a Passignano**, near Tavarnelle: an 11th-century abbey surrounded by vineyards, with the monks' historic cellars. **Castello di Verrazzano**, above Greve in Chianti: a castle and gardens overlooking the valley, with tastings accompanied by local products. Book for Saturday 24 at around 16:15 and tell us the winery and the time: we will plan the rest of the day around it. The Beluga reaches all three without any problem.

· **The driver's lunch.** On both days the driver returns to base in the evening, so no overnight stay is needed. His lunch is at your charge: you can invite him to your table or give him the cost of a meal, whichever you prefer.

· **Flexible times.** The times shown are a suggestion: within the 9 and 10 hours of each day you can move the stops as you like. Beyond the agreed time, waiting is charged at € 50.00 per hour.

· **To confirm we need** the name and mobile number of a contact person, the exact number of participants and your invoicing details.

· **Cancellation.** The booking becomes firm on receipt of the deposit. With less than 10 days to the service, once confirmed a cancellation is charged at the full amount.

We remain at your disposal for any clarification and look forward to hearing from you.
