Shuttle service to Villa Cini, Bucine (AR) · 26-29 May 2027

Prepared for Jenna Bowman · 15 September 2026 · Ref. GM-2027-0526-VC

The vehicles

Two hired coaches for your group, chosen for Villa Cini's access road.

Two coaches, 25 and 27 passenger seats plus driver, supplied by Tuscany T.O. & Munna Bus Operator (Montecatini Terme). The sizes are not incidental: the final 800 metres of the access road to Villa Cini are unpaved, and the 51-seat coach originally planned cannot get through. The two smaller vehicles manage it without difficulty.

The two vehicles work together on the busier days — the main arrival on 27 May and the ceremony day on the 28th — while a single one covers the lighter runs on the 26th and the 29th.

The service

Date	Route	Vehicle engaged
Wed 26 May	Bucine train station → accommodations (Villa Cini area). First pickup at 3:00 pm, last at 11:00 pm: one coach stays at your disposal for the whole window, taking guests arriving by train to their accommodation.	3:00 pm – 11:00 pm, one coach
Thu 27 May	Bucine train station → accommodations, five runs during the day. First pickup at 10:00 am, last at 11:00 pm: this is the main arrival day, thirteen hours of availability in which the two coaches shuttle back and forth between the station and the accommodations several times, staggering arrivals.	10:00 am – 11:00 pm, two coaches
Fri 28 May	Accommodations → Villa Cini → accommodations. First pickup at 4:15 pm for the ceremony, last at midnight for the return from the party: the two coaches stay at your disposal for the whole evening.	4:15 pm – midnight, two coaches
Sat 29 May	Accommodations → Bucine train station. A single pickup and drop-off at 11:00 am, the same station used for arrivals.	11:00 am, two coaches

Notes

- **The access road to Villa Cini.** The final 800 metres are unpaved: that is why we have planned the two coaches, 25 and 27 seats, instead of the 51-seat coach. Please still have the venue confirm the exact drop-off point and manoeuvring space, so we can verify it before 26 May.
- **Accommodations are not yet final.** The price is built on a hub-and-spoke shuttle service around the Bucine area, between Palazzo Vanneschi and the nine properties you listed. If the final bookings turn out to be more spread out across the area, additional runs or a price adjustment may be needed: let us know as soon as your guests have confirmed where they are staying.
- **The five runs on 27 May.** With around 64 guests expected and 52 seats total across the two coaches, no single run carries everyone at once: staggering arrivals across the thirteen hours between 10:00 am and 11:00 pm is normal, and the price already accounts for it. If you send us the train times we can plan the runs in advance.
- **The last pickup on 28 May, at midnight.** If the return runs to the accommodations after the last pickup run past 2:00 am, the night-return surcharge below applies, € 250.00 per vehicle. Let us know if you expect the party to run later, so we can account for it now.
- **The drivers' board and lodging.** The nights of 26, 27 and 28 May remain at your charge: you book and pay for them directly. The easiest solution is to put them up at Palazzo Vanneschi or another property near Villa Cini.
- **To confirm we need** the final guest count (or at least an updated estimate), the train times arriving on 26 and 27 May, the actual finishing time of the party on the 28th to plan the evening return, and your invoicing details.
- **Availability and cancellation.** The two vehicles are currently free and we hold them for you for the whole validity of this quotation; the booking becomes firm on receipt of the deposit. Cancellation is free of charge more than 60 days before the service; from 60 to 30 days the deposit is retained; from 30 to 10 days 50% of the price is charged; in the last 10 days, 100%. Quotation valid until 29 September 2026.

We remain at your disposal for any clarification and look forward to hearing from you.
