

Quotation

Cinque Terre day excursion · Nievole (Villa Ginevra) – La Spezia Migliarina · Sunday 11 October 2026

Prepared for Viaggi Tigullio Marcone · 21 August 2026 · Ref. GM-2026-1011-VT

The vehicle

One touring minibus for your 10 passengers, with the same driver throughout the day.

Mercedes-Benz Beluga — 26 passenger seats plus driver, 7.64 m. Air conditioning, reclining ultra-comfort seats, fridge bar, on-board audio system, large luggage hold.

You asked for a 20-22 seater: the Beluga has 26, so your ten guests travel with all the room they could want and the hold stays free for daypacks, jackets and whatever gets bought along the way. Its 7.64 m matter on the roads around Nievole and in the forecourt of Migliarina station, where a full-size coach manoeuvres with far more difficulty.

Notes

- **The € 700 + VAT budget.** We will be straightforward about it: it covers a little over half the day. The service runs about 220 km and keeps vehicle and driver engaged from 8:00 to 19:45 on a Sunday, which means the vehicle can do nothing else that day. The price quoted here is our best for this service. If you have other movements in the same period, though — airport transfers, other excursions — send them over and we will look at the whole picture: across several services the conversation changes.
- **The return time.** We have read the "around 18:00" as the departure time from Migliarina: on that basis the group is back at Villa Ginevra around 19:45. If instead 18:00 is the time you want to be back in Nievole, the pick-up at the station moves to 16:15 and the price does not change. Let us know which of the two, so we can set the final timing with your guide.
- **Migliarina is the right choice.** Since 2025 Migliarina station has been the Cinque Terre Express hub, with a dedicated platform and thirty-five daily connections towards Levanto and the Cinque Terre, and its forecourt is far easier for a tourist vehicle than La Spezia Centrale. All we need is the exact drop-off point agreed with your guide and a mobile number for her: the driver will coordinate directly with the guide, both on arrival and for the return.
- **The vehicle stays in La Spezia all day.** This is the cheaper arrangement for you: two separate transfers, with the vehicle running back empty to Tuscany and setting off again in the afternoon, would cost appreciably more. The City of La Spezia charges a ticket for picking up and setting down passengers and a parking fee for tourist coaches: both are already included in the price, with nothing to settle on site.
- **If the return train runs late.** It happens on the Cinque Terre line, especially on October weekends. The driver waits at no extra cost for up to 45 minutes beyond the agreed time; past that, waiting is € 50.00 per hour. A phone call from the guide is all it takes for us to reorganise.
- **Pick-up at Villa Ginevra.** Please confirm the exact address and the point where the group boards. Our minibus reaches places a full-size coach cannot, but it is worth knowing in advance whether we can pull up at the villa entrance or whether it is better to meet you on the main road. Please also confirm that all ten passengers board at Villa Ginevra.
- **The driver's meal.** The service starts and ends within the day: no overnight stay is needed and there is no hotel cost to bear. Only the driver's meal during the waiting hours in La Spezia remains at your charge: we neither quote it nor arrange it. The simplest way is to add him to the group's arrangements, if you have any.
- **To confirm we need** the exact address and meeting point at Villa Ginevra, the final return time, a mobile number for your guide in La Spezia and for the group leader, the final passenger count and your agency's invoicing details.
- **Availability and cancellation.** The vehicle is currently free on 11 October and we hold it for you for the whole validity of this quotation; the booking becomes firm on receipt of the deposit. Cancellation is free of charge more than 60 days before the service; from 60 to 30 days the deposit is retained; from 30 to 10 days 50% of the price is charged; in the last 10 days, 100%. With 51 days to the service today, this booking already falls in the 60-to-30-day band, and from 11 September it moves into the 30-to-10 band. Quotation valid until 4 September 2026.

We remain at your disposal for any clarification and look forward to hearing from you.
