Notes

- **Vehicle access.** Following your message we have replaced the grand touring coach with two minibuses of 7.64 m and 7.86 m. Both are within the 8-metre limit on the estate road to Podere Le Ripi and both reach Corte Francigena itself. Please confirm the maximum vehicle length the property will take, and ask Podere Le Ripi to confirm in writing that a vehicle of this length reaches the set-down point and has room to turn — far better settled now than on the evening itself.
- **Why we suggest leaving at 09:00 on 23 August rather than 10:00.** Leaving at 10:00 puts you at Fiumicino at about 16:28 — on paper on time, but with nothing in hand on an August Sunday, with holiday traffic on the A1 and the ring road and 44 people to set down and pick up in the city centre. An hour earlier keeps your two full hours in Rome and gives you an hour of margin on the 16:30. If you prefer the 10:00 departure we can do it with a 90-minute stop instead.
- **Dinner on 20 August.** The price covers the transfer to the restaurant and the return to the property provided the venue is within 40 km — the Montalcino, Pienza, Montepulciano and wider Val d'Orcia area. As soon as you confirm the venue we will check it; if it is further afield we will send you an updated figure before you commit.
- **Party size and luggage.** This quotation is based on 43 guests plus one tour leader travelling in two vehicles, 54 seats in all. Hold luggage is split between the two compartments, roughly 22 pieces each, which is within their capacity for normal suitcases. Please flag anything oversized in advance so we can plan the loading, and tell us if the number rises.
- **Departure flight on 23 August.** Please send us the flight number and departure time so we can confirm the timing against it, and a mobile number for the person travelling with the group.
- **Availability and cancellation.** Both vehicles are currently free and we hold them for you for the validity of this quotation; the booking becomes firm on receipt of the deposit. Cancellation is free of charge more than 60 days before the service; from 60 to 30 days the deposit is retained; from 30 to 10 days 50% of the price is charged; in the last 10 days 100%. With the service fifteen days away, this booking already falls within the 30-to-10-day band. This quotation is valid until 10 August 2026.
