Quotation

Day trip Pistoia – Castiglione del Lago – Arezzo – Pistoia · Tuesday 8 December 2026

Prepared for Cral A.T. Pistoia · 30 October 2026 · Ref. GM-2026-1208-AT

The vehicle

A minibus reserved for your group, with its driver, for the whole day: from Pistoia to Lake Trasimeno, then to Arezzo for the afternoon and evening, and back to Pistoia. The vehicle stays with you at every stop, with no other passengers.

> **Mercedes-Benz Beluga** — 25 passenger seats plus guide seat and driver, 7.64 m. Air conditioning, reclining ultra-comfort seats, fridge bar, on-board audio system, large luggage hold.

At under 8 metres long the Beluga drops you closer to the centre than a full-size coach can: in Castiglione del Lago right below the old town, in Arezzo as close as possible to the upper town, which on 8 December, with the Christmas markets, is one of the busiest days of the year.

Notes

· **Number of participants.** The Beluga has 25 passenger seats, plus the guide seat. The request does not give a number: we need to know how many you are. The price refers to one vehicle; if more than 25 sign up, please let us know at once and we will propose a solution for the whole group.

· **8 December on the A1.** It is a public holiday and the end of the Immacolata long weekend: in the morning southbound traffic is usually light, while in the evening the return towards Florence is often slow, especially between Valdarno and Firenze Sud. The arrival in Pistoia planned for around 21:45 may slip towards 22:15: we suggest telling participants, for whoever is collecting them.

· **Arezzo with the Christmas markets.** On the Immacolata holiday the city is packed and vehicle access towards the centre is regulated. We drop you off and pick you up at the permitted point closest to the upper town and will tell you where before departure, together with the driver's number. To leave on time at 20:00 it is best to meet at the minibus at 19:45: with the evening crowds it takes a few extra minutes.

· **Castiglione del Lago.** Arriving around 12:00 you have two hours: time for lunch and a walk through the old town up to the Rocca. If you have booked a restaurant, tell us which one: we will drop you as close as possible.

· **Driver's lunch and dinner.** The driver is with you from 9:20 to about 22:00 and does not return to base between stops: his lunch and dinner are at your charge. They are not included in the price and we do not arrange them; the simplest solution is to add him to the group's restaurant booking. No overnight stay is needed.

· **The meeting point in via dell'Annone.** Please give us the exact spot (street number or landmark) where you want the minibus to stop for boarding and for the evening return.

· **To confirm we need** the final number of participants, the name and mobile number of a contact person travelling with the group and the Cral's invoicing details.

· **Availability and cancellation.** The vehicle is currently free and we hold it for you until 6 November 2026, the validity date of this quotation; the booking becomes firm on receipt of the deposit. Once confirmed, a cancellation up to 8 November forfeits the deposit; from 9 to 28 November 50% of the amount is charged, and the full amount in the last 10 days.

We remain at your disposal for any clarification and look forward to hearing from you.
