

Quotation

Away trip for the basketball game in Siena · Montecatini Terme → Siena and back · Sunday 27 September 2026

Prepared for Gruppo trasferta basket · 17 September 2026 · Ref. GM-2026-0927-BS

The vehicle

One minibus for the whole group, with the same driver from departure to return.

Mercedes-Benz Beluga — 26 passenger seats plus driver, 7.64 m. Air conditioning, reclining ultra-comfort seats, fridge bar, on-board audio system, large luggage hold.

Up to 26 people travel together in a single vehicle, there and back, with no changes and no support car. The reclining seats count on a late-night return, and the hold takes kit bags, balls and equipment without difficulty. At 7.64 m the Beluga stays under eight metres: it reaches the arena forecourt and the reserved parking areas a full-size coach cannot enter, where a coach has to stop further away.

The service

Stage	Route	Vehicle engaged
Sun 27 Sep outward	Montecatini Terme → Siena arena. Meeting point 17:15 at the address you give us, departure at 17:30. Sun 27 Sep game	Waiting in Siena for the whole game. Vehicle and driver stay in the arena parking area at your disposal: nobody has to think about getting back and bags can stay on board. Afterwards you make your way to the vehicle without rushing.	approx. 19:15 – 23:00

Notes

- **The tip-off time.** Everything turns on it and we do not have it yet: we know the game is in the evening and have built the programme around a 20:30 tip-off, the most common evening slot. Send us the exact time and we will set the schedule against it at no change in price: if the game were at 18:00, for instance, departure from Montecatini would move to 15:00 and the return would be around 22:15.
- **Returning after 02:00.** With the times above you are back well before then and no surcharge applies. It only needs watching if you want to stop for a meal after the game or if the game runs long: after 02:00 a supplement of € 250.00 applies. If you are thinking of a stop afterwards, tell us now so we can build it into the programme and show you straight away how the return changes.
- **Where the vehicle stops in Siena.** We have quoted the Siena arena, outside the city walls: please confirm the exact venue and, if you know it, the drop-off point. For evening games with an organised group the club or the police sometimes assign a compulsory parking area for the bus: if that applies to you, let us know in advance so the driver arrives with the right instructions. The Beluga, under eight metres, fits where a full-size coach does not.
- **The historic centre of Siena.** Should you want a stop inside the walls before the game, taking a tourist coach in requires the municipal permit, about € 160.00, applied for in advance and not obtainable on the day. Let us know by confirmation; outside the walls we move freely.
- **The driver's meal.** During the game the driver stays in Siena for about four hours: his dinner is at your charge, as is standard, and you arrange it. The simplest thing is to have him eat with the group or give him a voucher. **No overnight stay is needed:** we return the same night and our base at Ponte Buggianese is fifteen kilometres from Montecatini.
- **How many people and how much kit.** The Beluga has 26 passenger seats plus the driver. Please confirm the final number of participants and tell us whether bags, kit bags, balls, medical equipment or banners and drums are travelling: they fit in the hold, but knowing in advance lets us plan the loading and the boarding time. If you go beyond 26 participants, tell us at once: a second minibus would be needed and has to be arranged beforehand.
- **Meeting point and a contact number.** We need the exact meeting address in Montecatini Terme and a mobile or WhatsApp number for the person travelling with the group, so we can stay in touch on the evening of the game.
- **Availability and cancellation.** The game is ten days away: the vehicle is free today and we hold it for you for the whole validity of this quotation, but a Sunday evening in the season is a date in demand and we cannot block it for long. The booking becomes firm on receipt of the deposit. Cancellation is free of charge more than 60 days before the service; from 60 to 30 days the deposit is retained; from 30 to 10 days 50% of the price is charged; in the last 10 days, 100%. Today the booking falls in the 30-to-10-day band, and from 18 September it moves into the last ten days. Quotation valid until 21 September 2026.

We remain at your disposal for any clarification and look forward to hearing from you.
