Wedding guest shuttle Lucca – Villa Rossi · Saturday 10 October 2026

Prepared for Ferdi Omer · 5 October 2026 · Ref. GM-2026-1010-FO

The vehicle

One minibus with driver shuttling between Lucca city centre and Villa Rossi: two runs on the way out and three on the way back, to bring the 40 guests to the villa and take them back to town at the end of the evening.

Mercedes-Benz Beluga — 26 passenger seats plus driver, 7.64 m. Air conditioning, reclining ultra-comfort seats, fridge bar, on-board audio system, large luggage hold.

The minibus seats 26, so the 40 guests will not fit in a single run: the outbound trip takes two rides. For this reason the first departure is moved earlier, to 12:15, so that the second can still leave at 12:50 as you asked. At under 8 metres long, the Beluga drives into the villa grounds and drops guests at the entrance, so nobody has to walk in their wedding clothes.

Notes

- **Why 12:15 and not 12:30.** The drive between Lucca and Villa Rossi takes about 15 minutes each way, plus time for guests to get on and off: with a single vehicle a full loop takes about 35 minutes. Leaving at 12:30, the second run could not leave Lucca before 13:05. Moving the first run to 12:15 lets the second leave on time at 12:50.
- **Who takes which run.** The driver cannot know whom to wait for. Please split the guests in advance: for example, the first outbound run for those who need to be at the villa first (the couple's families, witnesses, anyone helping with preparations), the second for everyone else. On the way back the earlier runs usually suit families with children and older guests. Every child counts as a passenger: no more than 26 people can board at a time.
- **The pick-up point in Lucca.** The historic centre inside the city walls is a restricted traffic zone and the minibus cannot enter it. Pick-up and drop-off are just outside the walls, at a point within easy walking distance: for example Piazzale Verdi, by Porta Sant'Anna. If you tell us where the guests are staying, we will suggest the best spot.
- **The return runs.** The minibus is ready at the villa by 21:00. Three runs half an hour apart leave little margin: if guests are not ready to board, the following runs leave late. Please give us the name of one person who can tell the driver when to leave. If the party runs past 22:00, waiting is charged at € 50.00 per hour; an extra run can be added, but must be agreed in advance.
- **To confirm we need** the final number of guests, the pick-up point in Lucca, the name and mobile number of a contact person for the wedding day, an email address and your invoicing details.
- **Availability and cancellation.** The minibus is currently free and we hold it for you until 7 October 2026, the validity date of this quotation; the booking becomes firm with your written confirmation, WhatsApp included. With less than 10 days to the service, once the booking is confirmed a cancellation is charged at the full amount.

We remain at your disposal for any clarification and look forward to hearing from you.
